

DID YOU KNOW..
THAT WE URGENTLY NEED TO PROTECT OUR
COUNTRY'S REMAINING OLD-GROWTH FORESTS?

Today, very few of
our original U.S. old-
growth forests
remain:

<5%
of our
Western
forests
remain

<1%
of our
Eastern
forests
remain

THE OLD-GROWTH FOREST NETWORK IS THE NATION'S ONLY
ALLIANCE OF FOREVER-PRESERVED MATURE FORESTS.

ASK ME IF YOU'RE CURIOUS TO LEARN
HOW MANY FORESTS ARE CURRENTLY IN THE NETWORK, OR
WAYS YOU CAN JOIN US IN HELPING TO PRESERVE OUR
COUNTRY'S HERITAGE!
